

A facelift, a name change, and a star is re born

jazz 1100

A younger cousin, the **jazz** 1100 adds style & attitude, whilst inheriting the legendary reliability and build quality of the AA 1100 (all spares are interchangeable).

jazz 1100 a hard working -, stylish -, no nonsense cooler, which hits all the right notes.

- Style & attitude, in tune with modern living
- Legendary reliability - proven more than 24, 000 times
- Solid build quality, designed to last
- Refreshing uncomplicated technology
- Low cost pure drinking water

Reliability with Style & Attitude
